Wyss, Johann. *The Swiss Family Robinson* (Puffin Classics w/ Jon Scieszka, intro)

This is an unabridged translation that adds the "newer" (1800's) accepted ending to the book, where the family colonizes, meets a girl, and gets wealthy. The language is also more updated, suitable for younger children. Some of the author's original meaning and the original relationships, however, have been changed in this translation.

Wyss, Johann. *The Swiss Family Robinson* (Penguin Classics w/ John Seelye, intro)

This is the original English unabridged translation that keeps the author's original intent. It also, however, contains many archaisms that may be harder for children to understand.

Zeman, Ludmila. *Gilgamesh trilogy*
