

His Be the Victor's Name

FESTAL SONG

1. His be the Vic - tor's name, who fought the fight a - lone;
2. By weak-ness and de - feat He won a glo - rious crown,
3. He Sa - tan's pow'r laid low; made sin, He sin o'er - threw;
4. Bless, bless the Con - qu'ror slain, slain in His vic - to - ry;

tri - um-phant saints no hon - or claim; His con - quest was their own.
trod all our foes be - neath His feet by be - ing trod - den down.
bowed to the grave, de - stroyed it so, and death, by dy - ing, slew.
who lived, who died, who lives a - gain— for thee, His church, for thee!
